PEACE OF MIND STARTS HERE.

SI-30 solar

30-Year Solar Warranty

Coverage Includes:

Security for failures of panels, inverters, optimizers, racking and roof penetrations within 3 inches of the solar roof attachment.

Labor costs associated with covered repairs at a \$0 deductible.

Insolvency of manufacturers and installers does not affect the standing of the warranty.

Our warranty will transfer to the new homeowner at no cost.

SI-30 total

30-Year Solar & Battery Warranty

Coverage Includes:

Optional addition that works in conjunction with the SI-30 Solar warranty.

One replacement for battery when capacity drops below 50% between years 11-30.

Battery diagnostics, repair, and labor

“Thankfully, I had a warranty with Solar Insure and they were very helpful to let me know that the panels will be alright.”

Paul H., Solar Insure Homeowner
